

# Timberline Solar™

Solar Roofing System

# Wow your family and neighbors

It protects like America's #1-Selling Shingles.  
Now it can power your home.

# We know you want to be a financially smart homeowner.

Let's face it. Sunlight is free.

Don't you wish your roof could capture the sun's energy and make it work for you?

With your Timberline Solar™ roof, now you can.

# That's why we designed a solar roof that's good for your wallet.

Timberline Solar™ is an entirely new roofing system.

It merges the best of America's #1-Selling Shingles and award-winning solar technology to create a beautifully durable roof that can harness the sun's energy to power your home — all backed by an industry-leading warranty.

And it all starts with your smart choice of a solar roof — that can pay for itself.<sup>1</sup>

<sup>1</sup> Based on cumulative annual electrical saving, Federal Investment Tax Credit, and applicable local incentives. GAF Energy does not provide tax advice and you are encouraged to seek the advice of a tax professional.

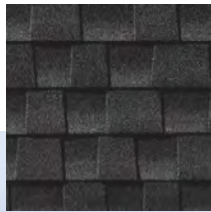

## Timberline Solar HDZ™ is available in a variety of popular colors

Note: It is difficult to reproduce the color clarity and actual color blends of these products.  
Before selecting your color, please ask to see several full-size shingles.

# Stunningly beautiful. And generates clean energy.

Using breakthrough solar technology, Timberline Solar™ turns sunlight into electricity that can power your home.

By blending the best of shingle design aesthetics and photovoltaic engineering, Timberline Solar™ delivers true curb appeal by crowning your home in useful elegance.

# You deserve a solar roof backed by an outrageously great warranty.

With our enhanced warranties<sup>1</sup>, you no longer have to wonder whether your solar roof is producing the energy you were promised.

And there's more, with StainGuard<sup>2</sup> Time-Release algae-fighting technology, your Timberline Solar™ roof stays spectacular with a 25-year limited warranty against unsightly blue-green algae stains.

<sup>1</sup> Available for qualifying systems installed by GAF Master Elite® or Certified™ contractors only. See Golden Pledge® Limited Warranty, Solar Plus Limited Warranty Addendum, and Solar Max Limited Warranty Addendum for complete coverage and restrictions. For complete information about our enhanced warranty options, visit [www.gaf.energy/warranty](http://www.gaf.energy/warranty). For installations not eligible for enhanced warranties, the Timberline Solar™ Shingle & Accessory Limited Warranty and GAF Shingle & Accessory Limited Warranty apply. Visit [gaf.com](http://gaf.com) for copies of these limited warranties.

<sup>2</sup> 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus™ logo. See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions and qualifying products.

# Solar has never been easier.

By merging a roof and solar into one project, you eliminate the hassle—and risk—of managing two separate projects.

Here's how it works:

Step 1: Get a custom proposal

Step 2: Pick a color

Step 3: Enjoy your gorgeous new roof

Timberline Solar™ is installed by trusted roofing partners who have a history of excellence (GAF Master Elite® Roofing Contractors).

So, when your solar roof is installed, it's done by roofing experts, not just someone with a hammer.

# Timberline Solar™

Solar Roofing System

## It's a shingle roof. And it produces solar energy.

It was only a matter of time before solar looked this good. And sunlight is free. With your Timberline Solar™ Roofing System, you can capture the sun's energy – without bolt-on solar panels that can cause costly leaks – and make it work for you.

An outrageously great warranty.  
A stunningly beautiful roof upgrade.  
A financially smart decision.
